To whom it may concern,

It is my pleasure on behalf of **TECHEXPO** and the **Cyber Security Summit** to highly recommend **CSFI/Cyber Security Forum Initiative** as a Marketing & Social Media Partner.

I have worked with **Mr. Paul De Souza** for over five years, where his organization has promoted my professional job fairs for the defense industry along with my executive level conference that educate cyber security industry professionals from a wide variety of industries including Defense, Finance, Retail, Energy, Social Media, Entertainment, Healthcare & Technology.

For each of our events throughout the United States, we consistently use the services of CSFI to help market our special events to his audience on LinkedIn, Twitter and his proprietary database that he sends his newsletters to. Each time we utilize his social media services our attendance and revenues increase!

I would be more than happy to provide a more detailed personal & professional reference if you need anymore information on my professional opinion of his organization and performance of his services. I can be reached at 212.655.4505 extension 223 or email me at [BRand@TechExpoUSA.com](mailto:BRand@TechExpoUSA.com)

I look forward to many more years working with the CSFI team.

Sincerely,

***Bradford Rand***
